

I am writing to express my strong support for amending the state constitution to allow early voting and no excuse absentee voting in Connecticut. Elections are the most fundamental hallmarks of democracy, and it's crucial to make voting easier, so that more people are able to participate. Many states already have early voting and mail in ballots, and there's no evidence of fraud or other problems. Please pass these bills and allow voters the opportunity to making voting more accessible for more people.

Thank you.
